

## Mark "Dr. DREAM" Peebler - BIO

As an entrepreneur, humanitarian and international speaker, **Mark "Dr. DREAM" Peebler**, has over 20 years experience guiding, mentoring and empowering students, organizations, and corporations in building, reaching and sustaining their full potential.

He has refined an approach to creating personal reality that has worked for years in his own life experience. Mark's program, Dream the Biggest DREAM, supports each individual's efforts to manifest the life of their dreams. He has worked one-on-one with people and also traveled the world teaching his program and changing lives.

In addition to his speaking engagements and his work as a Talk Therapy Empowerment Coach, Dr. DREAM is accomplished in healing work with Rife Frequencies, Guided Visualizations, Crystal Therapy, Essential Oils and Flower Essences. He is also a Reiki Master and an Ordained Minister.
